# The Blueprint

**Dear Pastors and Ministry & Marketplace Leaders,**

---

*The Measure that the  
House of God is built  
according to His  
Blueprint, is the  
measure of Glory it  
will reflect!*

*If you build it, He will  
come!*

---

FMB Ministries has been entrusted with revelatory teachings to illuminate **The Headstone**—a prophetic Blueprint of the end-time Sanctuary, prepared to house the Presence of the Lord. These resources showcase the multifaceted features of our Lord Jesus Christ and the significance of the Headstone as the crowning completion of His work in humanity and on Earth! They are tailored to enlighten and empower leaders, ministries, and believers to align with God’s strategic purposes for the hour.

We stand on the precipice of an Era, where the Church must be prepared to usher in the fullness of God’s Plan—His endgame. The Call is not for the faint-hearted; it is for those who have been moulded through trials, fortified by faith, and equipped with Spiritual discernment. It is an invitation to step into a higher dimension of leadership, one that is both visionary and deeply rooted in biblical foundations.

Now more than ever, the Church must rise with exceptional apostolic/prophetic leaders who carry God’s vision for the hour. These are the leaders called to prepare the *New Wineskin*, fashioned to bear the full weight of God’s intentions for a unique hour of history. Our resources carry keys and strategies needed to advance God’s Kingdom purposes with clarity, power, and Divine precision.

**Questions for consideration:**

- Are you divinely structured and fortified individually and corporately to withstand the shaking and spiritual war coming?
- Is your team built to stand firm in the singularity of the *divine vision*?
- Do you possess the intellectual humility and wisdom required and necessary to be an authentic builder of the House of God?

Now is the time to build a foundation that cannot be shaken. The time to build according to God’s Pattern is now! We invite you to partner with us to bring forth the Divine Will for this closing era of history by incorporating the facets of the Blueprint in your Church, Ministry, or organization!

## SOME OUTSTANDING FEATURES OF THE BLUEPRINT: The completion of God's work in Humanity and on Earth in Christ:

---

*"Not by might  
nor by power, but  
by My Spirit, says  
the Lord of Hosts  
... And He shall  
bring forth the  
headstone with  
shoutings, crying,  
Grace, Grace to it!*

*Zechariah 4:7*

---

- **The Vision:** The building of a Holy Habitation for the King, comprised of living stones; its Pattern reflected in all spheres, systems, and structures.
- **The Lord said: The Vision Must be Cohesive:** The vision must undergird and sustain all initiatives, and is foundational to everything God puts His hand to.
- **A New Wineskin:** The Vision represents the end-time Wineskin fashioned by God. It is structured in deity to withstand all challenges and attacks as it is built according to the Divine standards of Christ. Its strength and resilience are derived from the shout of the King that is within it.
- **The Israel of God:** The Blueprint of God's Holy Habitation has been embedded *within Israel*. Its architectural Pattern can only be understood within the context of Israel—Prince of God!
- **Yahweh Shamah:** *God, He is there!* God crowns the structure with His Name and fills it with Glory when it is completed in obedience to His will and accordance with His Pattern (Ez. 48:35). God is coming to dwell amongst us (Ex. 25). *God is in the midst of her, she shall not be moved* (Ps. 46)
- **The Overlap Paradigm & Dynamic:** The Vision comes forth for a volatile season in preparation for the return of the King. It will be a season characterized by heightened power, signs, and wonders given to accomplish the finishing work.
- **The Man Child:** A Mature Warrior king emerges, fashioned in the image of Christ, *born to rule*. He comes forth in the season of the *overlap to rule*, ready to serve God's will to bring things to their conclusion (Rev. 12).
- **The Apocalypse:** The Son of God will be revealed in and through a Company. As Paul declared, *"He was pleased to reveal His Son in me."* It is the *Apocalypse* of Christ in and through *the apocalypse* of the sons of God! Christ is the Firstborn of *many like Him*.
- **Mahanaim:** Heaven & Earth unite in the Bride in the Overlap! The Angel Armies of Heaven and the Armies of Saints on Earth work in a synchronized, transcendent work to wage war and fulfill the Will of God.
- **A Sign and a Wonder:** This fearsome Vessel becomes a sign and wonder as '*God is there,*' in its midst. It becomes a sign and a revelation to the nations that *God exists, He is and was and is to come!* These signs and wonders will work to gather the Harvest at the end of the Age.

---

*“And the things that you have heard from me among many witnesses, commit these to faithful men who will be able to teach others also.”*

*2 Timothy 2:2*

---

These features are all embedded in our resources and books and presented in our Seminars and Conferences. The Blueprint is the foundation and frame of the House that will host the fullness of God’s Presence. In terms of the Body of Christ, it is the skeletal frame, the bones upon which everything is supported. We would be honoured to share and partner with you to bring forth this Divine Blueprint given for such a time. Our resources can be tailored to fit your specific needs, whether as a *Course, Seminar, or Conference*.

**We have prepared an impactful vision-driven presentation specifically for Pastors, Leaders, and their teams, to introduce and bring clarity to *the Blueprint*. If this resonates, we would be honoured to have the opportunity to connect and share with your leadership team.**

The presentation is a unique depiction of God’s intentions for an end-time wineskin. It accurately illustrates Christ embedded within an Israel dynamic, as the Foundation Stone, the Cornerstone, and the Headstone of His House. Israel was the first and will be prominent in the completion of God’s plan to sum up all things in Christ. Together, Jesus and Israel were the beginning, and together they will be the end—the completion. This understanding will become foundational to all that the Lord is doing in this time and is essential to preparing His way.

He is beginning to gather builders who understand and embrace this vision and are willing to work with Him to rebuild and restructure the House to honour Israel in an end-time dynamic that is prepared for Him.

We intend to host these Presentations as *Engagement Gatherings*, a term the Lord gave for those who will *engage* in the work of preparing the way for the coming of the Bridegroom to His prepared House. Stay connected and visit our website for one coming near you!

We invite you to join us in preparing the Church for His coming by engaging with these vital teachings and equipping your congregation to become builders of God’s House.

We look forward to serving alongside you in this great Kingdom work.

**With Kingdom Purpose,**

*Faith Marie Baczko*

The following section lays out seven facets of the Blueprint that can be presented as individual Courses, Seminars, or together as a Conference.

# THE BLUEPRINT

# The Headstone

---

*YAHWEH'S HOUSE  
& APOSTOLIC  
GOVERNANCE*

---

The Call has been issued—the time to build God's House is now! *The Headstone* unveils the apostolic mandate for the end of the age, revealing the divine blueprint for a sanctuary capable of hosting the full weight of God's Glory. As Spiritual revelation increases in depth and richness for the hour, a clearer and more precise image of the House of God has begun to emerge. The House prepared to receive Jesus will be built according to the Heavenly Pattern.

The construction of God's Temple is inherently God's undertaking, with the architectural design of His House originating from His Divine wisdom. God envisions our collaborative role as servants, co-labouring beside Him, steadfast in devotion to His guidance. Hence, our approach to this sacred task must be infused with fervour, reverence for the Lord, and a commitment to purity.

God has planned for a Headstone Generation of apostolic/prophetic volunteers, who willingly step forward in the Day of His Power, dedicating themselves to serve in these final days. As builders embark on this profound undertaking, passion becomes the compass, fear of the Lord, the anchor, and holy hands, the instruments of His creation.

SESSION III: The Superstructure

SESSION IV: The Headstone

SESSION III: If You Build It, He Will Come! The Dynamics of His Return!

# The Israel of God

---

*THE ISRAEL OF GOD*  
*THE ARCHITECT'S*  
*BLUEPRINT!*

---

From before the foundation of the world, God intended that His plan for the Salvation of mankind be centered and administered in and through Israel; the Word of God tells us, “...salvation is of the Jews” (John 4:22). The House of God, the Ekklesia of God, the Bride of God, established, secured, and rooted in Israel through Christ, presently has very little understanding of its roots and of God’s unfolding plan in and through the entity that is *The Israel of God*—A Blueprinted Ark for the salvation of souls, and House for the eternal habitation of God.

Without the revelation and understanding of Israel, prophecy will be skewed. Israel was the *beginning* of the plan of God, and embedded within Israel are also the dynamics of the *completion* of this transcendent plan. Understanding the significance of Israel to the counsels of God provides leaders with the opportunity to be aligned with His purposes in this hour, especially concerning the nations. As Israel's prophetic destiny unfolds, God works to establish the Ekklesia as communities and beachheads in the nations on earth—a people grafted in and aligned with Israel. These will be carriers of the *Flame* who run the final race with Jeshua in *His Movement up to Jerusalem*.

## **SESSIONS:**

SESSION I: Mystery Jerusalem

SESSION II – Movement Out to the Earth

SESSION III – Movement Up to Jerusalem

SESSION IV – God’s Building Timetable embedded in His Feasts

SESSION III - The Journey of the Ark up to Its Resting Place

# The Leadership

---

*TRANSITIONAL  
LEADERSHIP IN THE  
OVERLAP SEASON  
OF TRANSCENDENT  
CHANGE!*

---

The demand for exceptional leadership has never been more pressing. Leaders navigating these turbulent times are at the forefront of addressing uncertainty and distinct challenges. Extraordinary leaders are indispensable to guide and inspire individuals and teams through the tumultuous season of change. This role demands a unique combination of strategic thinking and unwavering commitment.

The present times are setting the stage for a profound shift towards a brand-new Kingdom dynamic. This is being timed for the great awakening and move of God coming to dismantle and restructure the mindsets of leaders, the people of God, and the incoming Harvest.

The need arises for Empowered and Visionary Apostolic/Prophetic Leaders prepared by God for the dynamic of the times! These leaders who have heard the call are arising to pave the Way for a New Dawn through the turbulence of transition into a New Era! Transitioning from one Era to another will involve complex and multifaceted dynamics that shape the closing days of history. Transitional Leaders will arise!

## **SESSIONS:**

SESSION I – The Stewardship of the Fullness of Times!

SESSION II - The Dynamics of Transitional Leadership

SESSION III - The Dynamics of the Overlap & Change

SESSION IV – The Sons of God & the Rule of the Man Child

# The Women

---

*RELEASED IN AN  
APPOINTED TIME  
FOR MAXIMUM  
IMPACT!*

---

The vast number of women now being called forth and released into ministry and leadership roles within the Church and in the world can be taken as a powerful sign of the lateness of the hour in which we live, as women have been created to play significant roles in God's work, to sum up, all things in Christ. God's daughters are now called forth, "*for such a time as this.*"

Adam and Eve were created to rule the earth together as one. Women were created to lead! God is now clearly putting His anointing on women for ministry and leadership. Sometimes, due to mindsets, people may not have had the '*ears to hear*' the Holy Spirit's clear and pure revelation of the Word of God regarding this issue.

It is important to step back and re-examine the Scriptures under the *present Light* and *fresh Fire*. *Light* that will expose erroneous translations due to prejudice, and *Fire* that will burn away the dross—the accumulation of carnal opinions clinging to God's Word. It is vital to God's purposes that women are now fully secured and released in their identity in Christ to birth His Dreams.

## **SESSIONS:**

SESSION I: A Woman's Identity in Christ

SESSION II: God's Engage: Called forth for an Appointed Hour

SESSION III: Birthing Five Mighty Dreams of God

SESSION IV: Called to the Frontlines of the Battle

# The Army of God

---

*THE ARMY OF GOD  
NOW RISING -  
PREPARED FOR  
IMPACT!*

---

The mandate of the generation of saints living in the age leading up to Christ's return—the army chosen to execute the Divine campaign that ushers in His re-entry to planet Earth, is both weighty and exalted! The Headstone generation will walk in the righteous character of the Lord, clothed in His armor of Glory. These warriors will be armed with His Power to withstand the demonic assaults that characterize *the Day of the LORD!*

God must have a generation prepared and positioned with Divine revelation and understanding of the Call on this notable hour of His-story. A generation equipped to move out in strength, courage, and boldness to advance the Kingdom of God on earth!

The Father intends for His people to understand the full extent, weight, and greater dimensions of the Call on the lives of His saints concerning His unfolding plan for the culmination of the ages.

## **SESSIONS:**

SESSION I - Dynamics of the Call & Destiny

SESSION III: The Man Child Rises

SESSION IV: The Glorious Vanguard: God's Strategic Force

SESSION V: The Dance of Mahanaim & The Day of His Power

# The Warfare

---

*YOU ARE MY  
BATTLE AXE AND  
MY WEAPONS OF  
WAR!*

---

We are now at a Crossroads of History where darkness is encroaching upon the Earth as its kings and rulers conspire against God and His Anointed. We have entered an era of war! God's people are being called to rise with courage to fight, as the stakes are very high! The Sons of God must now arise!

We are in a war against the forces of darkness intent on taking dominion of the earth. The *Empire spirit* is rising, intent on global domination and a New World Order. The enemy is moving at full throttle, knowing their time is short. Their plan kicked into gear when a trickle of Jews began the journey home to Israel in the late 19<sup>th</sup> century, thus beginning the *Last Day War*. Their plan has been gaining momentum over the century with each World War and is now accelerating at a record pace toward World War III.

Spiritual warfare is a new concept for a large segment of the Church. Now more than ever, the people of God must learn how to fight to protect our families, cities, and nations.

## **SESSIONS:**

SESSION I - The War & the Warrior

SESSION III: The Heavens do Rule! Living in Ascension!

SESSION I: The Dynamics of Warfare & the Two Positions of War!

SESSION V: Cities of Refuge: Basecamps of Heaven

# The Cleansing

---

*RECOGNIZING &  
UNDERSTANDING  
THE SPIRITUAL  
REALITIES  
IMPACTING US  
DAILY*

---

Cleansing our lives of the ways, attitudes, and mindsets not aligned to the Plumb Line of the Word of God is vital to our well-being, especially during the turmoil and shakings the earth will experience. These un-Christian ways prevent us from appropriating truth, from receiving revelation and clear direction from the Lord. This is an important course for leaders and intercessors designed to cleanse the House of God to prepare it as a Holy Habitation for His coming.

- Provide a clear understanding of the spiritual dynamic at work in our lives and the process of becoming free.
- Identify the gates providing the enemy access and the tools to *close these gates*.
- Reveal curses at work, purposed to steal the blessings of God and hinder His people from fulfilling their assignment.
- Build secure foundational principles of God that empower His people to stand rooted and grounded in a place that cannot be shaken.

*“Let us purify ourselves from everything that contaminates body and spirit. Perfecting holiness out of reverence for God” 2 Corinthians 7:1*

## Faith Marie Baczko

In 1993, Faith Marie Baczko experienced a life-transforming encounter with the Lord in her downtown Toronto apartment. In obedience to the Lord, she walked away from her career as a fashion designer and the store she had recently opened in the heart of the city. When she asked the Lord what she would do, He said, “*Write.*” Having no experience in writing and no natural ability, yet, something within her believed, and she chose to follow Him.

With her twelve-year-old son Jesse, Faith began her journey with the Lord to a small village outside of Toronto. Through many encounters with the Lord, He taught her His Word while cleansing her heart in His refining fire. There, He also began to teach her about His House, especially about the completing phase, referred to as the Headstone or Capstone in Zechariah 4:6-7. Faith Marie carries key insights into the profound significance of Israel’s place in the purposes of God, for the summing up of all things in the Blueprint of Christ.

After losing her son in a tragic car accident in 2006, Faith set to work to birth the Ministry. *Faith Marie Baczko Ministries* is dedicated to my precious son, Jesse Jordan Robinson. “*Jesse and I have paid the tremendous cost of birthing this work in the refining fire of God’s Love.*” Jesse died on September 10<sup>th</sup>, 2006, in a fatal car accident. He was twenty-four years old. The Fruit of this ministry is accredited to Jesse as his inheritance in Christ.

Faith Marie serves as the President of FMB Ministries, a Ministry firmly rooted in God’s purposes and plans. Her entrepreneurial and pioneering spirit continually drives her to break new ground. Faith is a prophetic teacher and a bearer of profound revelations that mobilize, equip, and fortify the Body of Christ for this pivotal time in history. She maintains a close association with Apostle Dr. Felipe Gonzalez, the Founder and leader of Beraca Church in Toronto, Canada.

Faith models a life that inspires others to live rigorously devoted to passionately pursuing Christ. She is an international speaker and has garnered enduring relationships with many pastors and leaders.
